

I support media diversity

Dear Secretary and Commissioners:

I strongly oppose changing rules on media ownership.

I do not believe that the studies commissioned by the FCC accurately demonstrate the negative affects media deregulation and consolidation have had on media diversity.

The public interest will best be served by preserving media ownership rules in question in this proceeding.

In addition to the official hearing on this matter in Richmond, VA, I strongly urge the FCC to hold additional hearings elsewhere around the nation to solicit the widest possible participation from the public which will be the most directly affected by the outcomes of these decisions. I think it is important for the FCC to not only consider the points of view of those with a financial interest in this issue, but also those with a social or civic interest.

With the serious impact these rule changes will have on our democracy, it is incumbent on the Commission to take the time to review these issues more thoroughly and allow the American people to have a meaningful say in the process.

Sincerely,  
Cherie Marks
